

# Community-led Housing Training Event

# Aims

- More people talking about community-led housing
- A consistent understanding of different community-led housing models
- Appreciating the complexity of a community-led housing
- People know who to contact in order to talk about the next steps

# Our offer to you

- Training
- Networking opportunities
- Case studies and learning
- An online forum/point of interaction
- A point of contact for any rural group considering how to address local housing need
